

March 20, 2020

Dear Santa Cruz Center Students & Community Members,

Your health, safety, and well-being is our first and foremost priority. The **Santa Cruz Center** is taking strong preventative measures to address the global COVID-19 crisis.

Following Pima Community College, SCVUSD, and NUSD closings, the Santa Cruz Center will be closed through **April 10, 2020**, and we will be operating by remote access.

All classes for **Pima Community College (PCC)** students have been moved to online learning with virtual student services. For more information regarding courses, programs, and updates, please visit--

<https://www.pima.edu/press-room/coronavirus/docs-gen-collegewide/202003-20-chancellor-update.pdf>

Current Pima Community College students and those interested in becoming a Pima student in Santa Cruz County, please email pcc-santacruzcounty@pima.edu for advising, assessment testing, financial aid and other questions. The Pima Community College-Santa Cruz County team looks forward to assisting you!

To help keep students connected, Mediacom is generously offering internet access to Nogales and Rio Rico households in need for **\$9.95 monthly plus tax**, through their [Connect to Compete Program](#)—being extended to SCC students in our community during this crisis.

The University of Arizona Nogales will continue to offer student services remotely through the following methods of communication: afaguirre@email.arizona.edu or by phone: 520-341-3626/online appointments—until further notice.

On behalf of our **Governing Board** and staff, let me thank you for your support and patience. We are working to make the best decisions to protect and sustain our students and staff.

The gracious nature of Santa Cruz County and commitment of kindness and care is what our community is built on. Thank you for extending these to all during this time of need.

If you have any questions or concerns, we are here for you and available by contacting us at: **info@santacruzcenter.org**... **Thank you & Be Well!**

Stella Perez
Santa Cruz County Provisional Community College District
