

April 2, 2020

Dear Santa Cruz Center Students & Community Members,

We must begin by *Thanking* SCC Students, Faculty, Staff, and the Community for outstanding support and unity during these challenging times and this global crisis. The safest standards of service, training delivery, and secured facilities are and continue to be the highest priority of the SCCPCCD Governing Board.

During the Coronavirus Pandemic, the days seem to grow longer, the changes more dramatic, and the restrictions on space even greater. We continue to work closely with our academic, industry, and community-based partners to monitor and research best practices in higher education, creative service applications for students, and online learning needs across the country.

On March 30, 2020, Governor Ducey issued a statewide '*Stay-at-Home*' Order, and Pima Community College (PCC) updated their campus and facilities COVID-19 closure schedule through the end of the month. In alignment with state mandates and partnerships, the **Santa Cruz Center will remain closed through April 30, 2020.**

Pima Community College continues to offer a variety of faculty and support services through students' *MyPima* login, or visit the PCC Coronavirus website for updated resources and information. <https://www.pima.edu/press-room/coronavirus/index.html>

The SCC Staff will work from remote locations with regular office hours, and are available to serve you. Contact us by leaving a message @ the Santa Cruz Center (520) 394-7181— we will return your call within 24 hours...or email us @ **info@santacruzcenter.org**.

Please stay in touch and connected through social media--Twitter @ #SantaCenter for daily posting and information.

We are here for you, and will continue to serve your learning, training, and community development needs.

Stay Healthy & Safe,

Stella Perez, Ph.D

CEO/Executive Director

Santa Cruz County Provisional Community College District
