

Policy 1000: District Governing Board (“DGB”) Formation and Responsibilities

Original Adopted Date: May 28, 2025 Status: Approved

The Santa Cruz County Provisional Community College District (SCCPCCD) is organized under Chapter 12 of Title 15 of the Arizona Revised Statutes to provide educational services to the residents of Santa Cruz County, Arizona. SCPCCD is governed by a five-person District Governing Board whose members are elected from voting precincts within the district. The District Governing Board is responsible for adopting policies to govern the District and for offering academic, vocational, and technical education programs that meet the educational needs of its stakeholders. The CEO of the District is responsible for implementing and administering the District’s programs consistent with the policies adopted by the Board. The District will maintain a regional accreditation and oversight relationship with another Community College District until the District achieves initial candidacy status from a regional accrediting agency.
