

Policy 1060 DGB Building Naming Guidelines

Original Adopted Date: May 28, 2025 Status: Approved

PURPOSE

The purpose of this policy is to set forth guidelines for the naming of structures on the campus(es) of

Santa Cruz Provisional Community College District. This policy will be informed by A.R.S §15-1444 (B)

(10) which provides that the District Governing Board (DGB) may ‘Name a building or a group of

buildings that is located on a Provisional Community College District campus on behalf of a person or

entity that has made a significant contribution of monies or other property to the Provisional Community

College District.’

District stakeholders requesting the opportunity to name a campus structure should submit a written

proposal to the District President who will present the proposal to the DGB as a board meeting agenda

action item. The DGB will act on the proposal based on a review of the information provided and the

proposal’s congruence with the parameters set forth in statute. A submitted proposal should contain

information describing how the person or entity name being requested meets the parameters set forth

in statute. No structure(s) shall be officially named without DGB approval. The DGB reserves the right

to add, remove, or moderate designations.
