

Policy 2010: District CEO Duties and Responsibilities Original

Adopted Date: August 20th 2025

Status: Approved

The District Governing Board (DGB) is authorized per A.R.S. §15-1444 to hire a Chief Executive Officer (CEO) of the District through contracts of more than one year, but no more than five years each. The DGB shall evaluate the District CEO on an annual basis. The District CEO will maintain effective communication and foster a professional and productive relationship with the DGB.

The DGB delegates and authorizes the Santa Cruz Provisional Community College District CEO to administer all aspects of District organization and operations. The District CEO provides direct oversight of the executive team and top-level administrators of all academic and business operations. The CEO may delegate any powers and duties entrusted to him/her by the DGB but shall remain responsible to the DGB for the execution of such delegated powers and duties.
