

Policy 2050: Facility Use

Original Adopted Date: August 20th 2025

Status: Approved

PURPOSE

The purpose of this policy is to set forth guidelines in which the use of District facilities is allowed for purposes other than District activities.

The CEO of the District or designated representative is authorized to permit the use of District facilities consistent with Arizona Revised Statutes, the Arizona Administrative Code, and within established District Governing Board policy.

In addition, the CEO of the District or designated representative is authorized to make District resources available, and shall be responsible for establishing and implementing procedures, regulations, and fees for facility and resource use.
